

WORKSHOP PFUMVUDZA – FAMILY PLOT Students

The video material used for this workshop is part of the training's videos from the Foundation for Farming. All are in format MP4 360.

We as MEF Agriculture team are convinced, that this new method of productions can help in the fight against hunger in Copperbelt, Zambia and Africa.

It's a 3-day workshop with 13 topics:

Videos,

Group work

Presentation of the results

Summery

Evaluation
